INTEGRA TECHNOLOGIES REACH STATEMENT

Integra Technologies supports EU regulation number 1907/2006 concerning the registration, evaluation, authorization, and restriction of chemicals (REACH) as these apply to Integra's semiconductor products.

In support of the REACH regulation, Integra will:

- Inform customers/recipients of Integra products that contain any substances of very high concern (SVHC) per the European Chemical Agency (ECHA) website
- Notify ECHA if any Integra product that contain SVCH that exceed guidelines for all products produced in or imported into the European Union
- Cease shipments of product containing REACH Annex XIV substances until authorizations have been obtained
- Cease shipments of product containing REACH Annex XVII chemicals when restrictions apply

Integra has evaluated its raw materials and products and determined it conforms to all REACH and SVHC guidelines in place as of the date of this document. Integra's policy is to review REACH and SVHC requirements on a periodic basis. Integra has implemented actions and controls to ensure compliance.
